Svitlana Biletska

Front-End Magento 2 & Hyvä Developer

hello@svitlanabiletska.com · svitlanabiletska.com · linkedin.com/in/svitlana-biletska-8507841bb · Piekary Śląskie, Poland

Profile

Front-end developer with 6+ years in e-commerce, specializing in Magento 2 and Hyvä themes (Tailwind CSS, Alpine.js), with additional experience in PrestaShop and WordPress/WooCommerce. Delivered custom themes, performance optimizations and Hyvä work for client stores in furniture, jewelry, flowers, cooking equipment and specialty retail, mostly under NDA. Open to B2B contract or full-time remote roles in the EU.

Certification

Adobe Certified Professional – Adobe Commerce Front-End Developer · Issued Oct 2025, expires Oct 2027 · Credential ID f2d5d2e3-b1fa-11f0-8ca0-42010a400fd3

Experience

Front-End Magento Developer · Laconica — Jul 2022 – Present

- Build and customize Magento 2 and Hyvä themes (Tailwind CSS, Alpine.js) across several concurrent client stores
- Implement pixel-perfect front-end from design mockups, including custom themes from scratch
- Extend PrestaShop themes; provide ongoing front-end support for a live multi-client portfolio

Full-Stack Magento Developer · Encomage — Dec 2020 – Jul 2022

- Customized Magento 2 themes and wrote custom back-end logic; provided technical support for client stores
- Built and maintained a GraphQL-based extension (Guestbook) with custom widgets

Junior Front-End Developer · Whidegroup — Dec 2019 – Oct 2020

- Learned Magento 2 front-end while contributing to theme customization and implementation tasks

Designer · Luster Graphics — Jan 2019 – Jul 2019

- Graphic design for client projects, the starting point before moving into front-end development
